SPECIALITY COURSES AT SWAN ELT

www.selt.ie

Here at Swan we offer something different. For the students who want more, we offer three specialist courses which take your English above and beyond.

The Erasmus + Internship Programme appeals to students who want an edge in their professional life. The Aviation English course prepares high-flyers for their ICAO exams. For students who want to study in English at third level, our International Foundation Programme will help you reach your potential.

Speciality Courses:

- Erasmus + Professional Internship Programme
- Aviation English
- International Foundation Programme

English
Language
Teaching

For more than 25 years, Swan ELT has been running the best, most innovative language courses in Ireland. We offer a range of general and specialised English language and teacher training programmes for adults, juniors, groups and individuals.

ERASMUS + PROFESSIONAL INTERNSHIP PROGRAMME

Develop your English language and your professional skills at the same time.

BENEFITS OF THE SWAN INTERNSHIP PROGRAMME

Experience

For over 20 years now, Swan ELT has been placing Internship candidates from all over the world. We know what we are doing and we do it well.

Quality

Ireland is home to the European headquarters of many of the world's biggest and best known companies – Swan ELT has connections within many of these companies. We also work with many SME (Small – medium enterprises), multinational and indigenous Irish companies.

Development

An Internship; abroad is a necessary stage for both professional and personal development, building confidence and expanding horizons.

English Language

Our Internships allow the candidate the opportunity to work within an English speaking environment.

Potential

Many of our interns get offered jobs in the companies in which they do their internship; others find suitable positions in their own country after completing the programme

RANGE OF SECTORS AVAILABLE

Administration/Office Support, Advertising, Architecture, Art, Culture, Bookkeeping, Care Worker, Communications, Computer Sciences, Dance School, Design, Economics, Education, Engineering, Environmental, Events, Management, Finance, Fitness, Gastronomy, Graphic Design, Hotel & Restaurants, HR, Import/Export, IT, Journalism, Law, Logistics, Marketing, Media, Museum, NGO, PR, Tourism, Translation, and many more.
