IELTS COURSES AT SWAN ELT

www.selt.ie

Our IELTS courses are designed to ensure you achieve the band you need as quickly and effectively as possible. Our first step is to choose the right course for you, and with over 4 levels available you are in good hands with the IELTS experts.

We take your English level, your previous IELTS band score and, if necessary, a further placement test. This information helps us determine which course is right for you. Our IELTS coordinator will meet you in your first week to make sure we have the best plan possible for your IELTS success.

ABOUT LEARNING ENGLISH AT SWAN

The teacher on your General English IELTS Course is dedicated to getting the best out of you so you can get the best out of your IELTS exam. We do things differently in our classrooms, using a blend of the latest technology with traditional language learning methods, and we base our lessons on you and your IELTS goals. Each week, guided by a general topic from the IELTS exam, you practise speaking, listening, reading and writing skills in a warm and friendly environment.

The lessons start with clear weekly goals, and include a weekly one-to-one session with your teacher to work on your own individual learning plan. You will have regular progress assessments and feedback, guided by your SELT learning portfolio.
